Instructions for Registering as a Judge for Imagine Cup

Note: If you've judged the Imagine Cup previously, the below action is not necessary. Watch for an email from the Imagine Cup team with the subject "Call for judges."

1. Register on the Imagine Cup website and create an Imagine Cup profile.

   a. Please note you will be asked questions regarding your school status – feel free to enter any information here, the info is not necessary for judging, but it is needed to be fully registered on the Imagine Cup platform.

2. Once your registration on the Imagine Cup website is complete, please send the following information to imagine@microsoft.com.
   a. Registered email address
   b. Preferred contact email address
   c. Your LinkedIn profile URL
   d. How you were referred to the judging opportunity

Summary of Judging Commitment Options

Participate as a competition judge for one or both of the following rounds. Time commitment is 2-3 hours maximum. Additional information on submission requirements and judging criteria can be found in official rules and regulations.

- January 28 – February 10, 2025: Review & score submissions (incl. pitch deck, 3-min pitch recording and 2-min demo recording) as a judge for the minimum viable product (MVP) round
